- Ship Repairs & Retrofit

# COMPANY HISTORY

A Legacy of Trust in Maritime Solutions

## FOUNDING PRINCIPLES (2020)

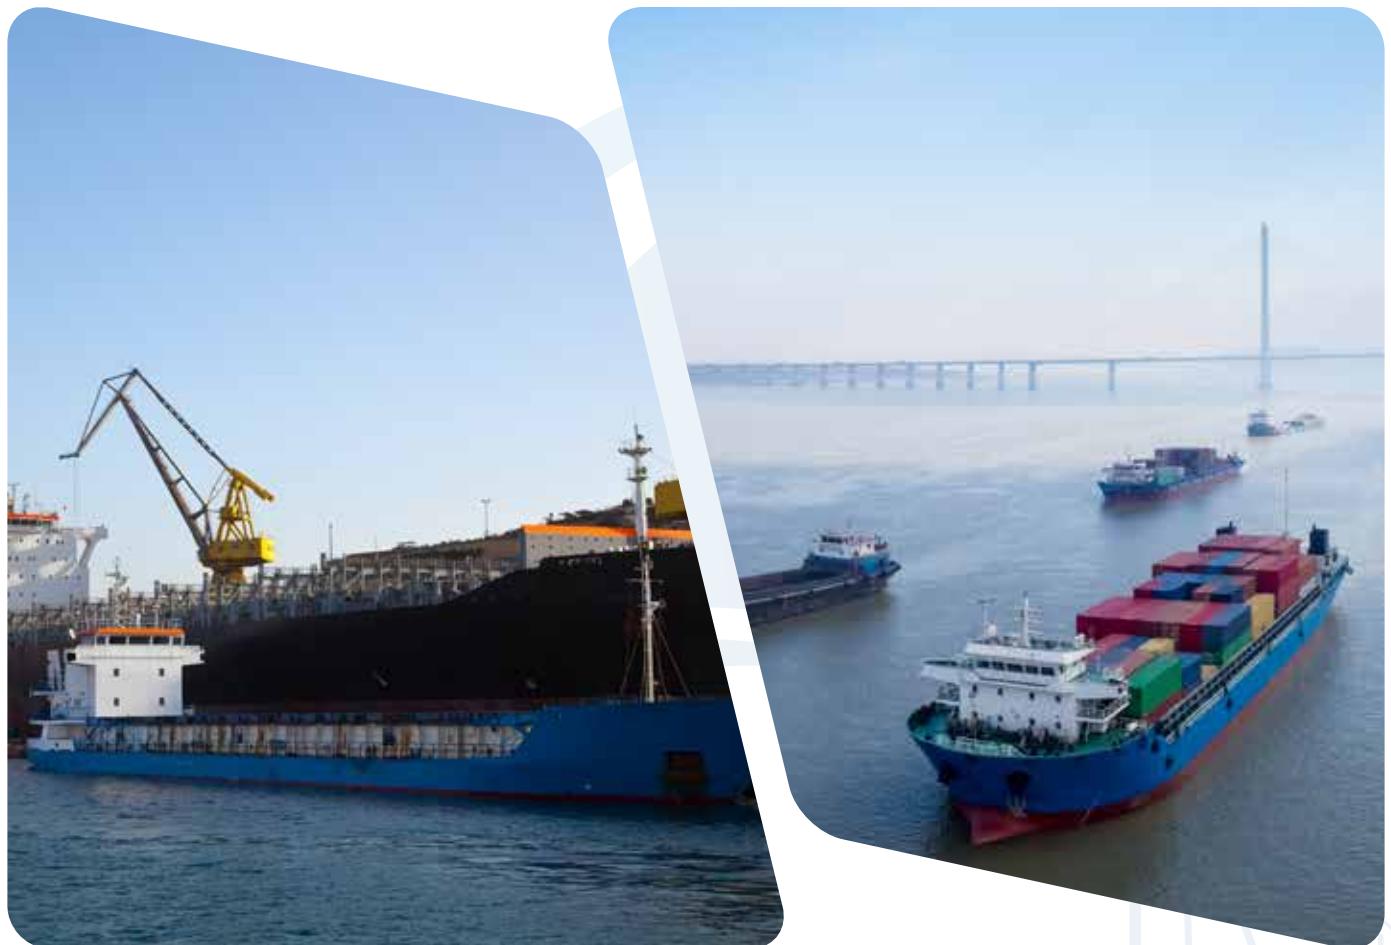

Established in 2020, we began as a specialised ship crewing firm with a singular focus: delivering uncompromising professionalism towards our clients.

- Discreet, client-first service for owners and charterers
- Market agility to capitalize on emerging opportunities
- Rigorous vetting of all counterparties and transactions

# STRATEGIC EVOLUTION

## (2020–Present)

Recent enhancements have elevated our capabilities while preserving our core values:

- **Expanded expertise:** Veteran chartering managers and technical specialists joined our team
- **Service diversification:** Full ship management (technical, crew, compliance)
- **Digital edge:** Real-time market intelligence systems

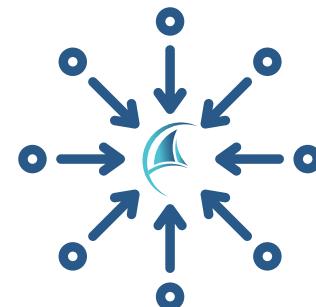

# OUR COMPANY SNAPSHOT

Key facts that define our maritime leadership

## Core Identity

- Established: 2020
- Headquarters: Dubai, UAE
- Global Reach: 4 strategic locations

## By the Numbers

- 50+ maritime experts
- 5+ years of operation
- 40+ vessels under our management (VLCC, MR, CONTAINER, BULK CARRIERS)
- 15M+ DWT chartered cumulatively
- 0 major disputes/arbitrations

## Differentiators

- **Decades of Trust:** Longest-standing client relationship
- **Market Agility:** Proprietary freight analytics platform
- **Safety Legacy:** <1% incident rate over 10 years

# SERVICE PILLARS

# OUR CORE VALUES

GUIDING PRINCIPLES THAT DEFINE OUR MARITIME EXCELLENCE

## SAFETY:

### UNCOMPROMISING PROTECTION

We prioritize lives, assets, and the environment above all.

- Zero tolerance for unsafe practices
- Proactive risk mitigation (ISO 45001-aligned protocols)
- Crew training excellence (STCW + company – specific drills)

## TRANSPARENCY:

### CLEAR AS THE OPEN SEA

Honest communication builds enduring partnerships.

- No hidden fees in chartering or management
- Real-time reporting for clients (tracking, costs, incidents)
- Open-book negotiations with owners/charterers

## INNOVATION:

### SAILING AHEAD OF THE CURVE

Tradition meets technology to solve tomorrow's challenges.

- AI-driven chartering tools for market agility
- Green fleet initiatives (EEXI/CII optimization)
- Blockchain-secured documentation

# SHIP BROKING / CHARTERING

Global Reach | Unmatched Fleet Access | Cargo Mastery
